New Deck Project Started

A project that we have been working toward for a while is finally underway! With a special thank you to Preston Feather and our maintenance technician Jim Morse we have been able to begin replacing the deck in front of the church doors and the ramp to the side of the church. The previous boards had begun warping and the membrane underneath the boards was beginning to fail.

Preston Feather generously gave Ste. Anne's Church a discount and we were able to pay for this much needed repair due in part to the very generous donations to our Friends of Ste. Anne's fund which is held in conjunction with the Mackinac Island Community Foundation.

Thank you so much to everyone who is helping to make this project happen! If you would like to donate to this project or one of our other many projects, please reach out to the Church Office at 906-847-3507 or contact Mackinac Island Community Foundation for their Friends of Ste. Anne's fund.

Mass Is Back Upstairs!

A sure sign of spring and a welcome blessing to our year-round parishioners is when we get to move upstairs to celebrate Mass for the season. During the winter months Mass is held in our chapel downstairs. While Masses always feel very close knit down in our chapel, we were very excited to move upstairs to our beautiful church and to welcome back all of our summer visitors and parishioners!

Easter Sunday

Easter Sunday was a joyous occasion at Ste. Anne's! We were very blessed to celebrate Mass upstairs surrounded by the beauty and sacredness of the church. The weather and road conditions were not very good on Easter Sunday so we didn't have quite as many people as we were hoping for but it was still wonderful to see many of our regular parishioners as well as some visitors. Marc Bobinsky also generously provided homemade hot cross buns for our after-Mass refreshments and they were enjoyed by many!

New Merchandise for Ste. Anne's Gift Shop

Our gift shop volunteers have been working very hard this winter to bring new and exciting merchandise to the Ste. Anne's Gift Shop. They have partnered with a new vender and expanded what they are able to offer. There will be new rosaries, jewelry, wall décor, sacramental gifts and much more! Something that we are particularly proud of is we will be able to offer a Ste. Anne's decorative coin this year. Special thank you to Charlie and Aneta Jansen and to Debbie Megge for all of their help and research this winter. The gift shop will start their regular hours on May 3rd.
